

As part of our continuing series of employer seminars, **JBL&K Risk Services, LLC** invites you to attend our client seminar on June 3rd at the Multnomah Athletic Club:

Oregon's Same-Gender Domestic Partner Benefits Mandate.

We encourage our clients with employee health and life insurance contracts issued in Oregon to learn more about this Oregon insurance mandate, how and when it affects your employee benefit plans, and ways to protect the confidentiality of domestic partner benefits information. This seminar is intended to help our clients learn how to implement domestic partner benefits and safeguard the privacy of this information. To prepare for this seminar, you may want to review our Domestic Partner Guide posted to your MyWave client portal. Contact Renee Kemnitz at (503) 219-3246 if you need assistance accessing this guide from your portal.
